

## CHAPTER 9 / Comparing Information on a Map

Study the maps below. Then answer the questions that follow on a separate piece of paper.

- (1) What is the name of Map A? Map B?
- (2) Which railroad has a more northern route?
- (3) The Great Northern Railway travels through, or borders, which Indian reservations?
- (4) The Northern Pacific Railroad travels through, or borders, which Indian reservations?
- (5) Using the maps and information from your reading, list the major tribes in Montana affected by the railroads. What are some of the main reasons that the tribes ceded (gave up) land between 1870 and 1890?
