Cultural Resource Consulting Services: History and Archaeology

Consultants and consulting firms included on the following list enrolled via a [public form](#) provided by the Montana State Historic Preservation Office (SHPO). Inclusion on this list does not represent a certification, endorsement, recommendation, or assumption of responsibility for the work of any consultant. There is no guarantee implicit or implied that any work product produced by those on this list will meet [federal or state requirements](#). We recommend you make inquiries regarding professional qualifications and check references as appropriate.

If you would like to be included in this listing, please complete and submit [this form](#). Our office will confirm your information on an annual basis, but feel free to reach out to us at mtshpo@mt.gov at anytime to notify us of any changes to your profile. Thank you for helping our office connect cultural resource professionals to projects in Montana. *Updated on 5/1/2023*
